ABOUT ME

A passionate, self-taught and aspiring front-end developer looking for growth opportunities to create beautiful and dynamically functional websites. From the moment I created my first website, I knew I wanted to make this in to a career. It's an exciting world that's always evolving and offers an engaging challenge to continually learn and improve.

Below you will find projects that showcase my skills and general background in front-end development

SKILLS

JavaScript

HTML

CSS

Python

TOOLS

Visual Studio Code

Adobe Indesign

Atom

EDUCATION

BS ECONOMICS | BA MATHEMATICS
SUNY BINGHATMON
MAY 2018
